Wool for NICU

My daughter is running the med student club that knits little blankets and clothes for Neonatal Intensive Care babies.

This year the funding for wool and knitting and crochet needles got cut so if you have any spare wool or needles or want to make a donation to buy those items I would love to hear from you and I will get them to her.

They need to have at least some natural fibre component (wool, mohair, cotton, angora.....). You can either give them to the office at St Matthew's or get in touch with me direct.

Thanks so much to any of you who can help out.

Potluck Dinners

We are pleased to announce the return of potluck dinners to the parish calendar.

A fun, sociable time of fellowship, bring a plate to share. Any plate! The whole point is that these get togethers are super casual, no organising whatsoever.

Pop these dates into your diary now and watch this space!
